Where learning has a purpose

## States of India

India is a land of beauty, generosity, traditional hospitality and the acceptance of many cultures. The toddlers of KKel came together and celebrated the diversity of Incredible India. They were dressed up in the traditional attire representing the culture of various states in India. The preschoolers put on a wonderful show as they danced and talked in the various languages pertinent to the state they represented. Proceeding the cultural event, the parents got a chance to relive their childhood as they played the traditional games of India. It was a cherished experience as the children got a chance to witness the beauty of India and epitomize it.

## Exams are here!

Have you heard of the 3 P's? Persistence, Patience and Practice? Well, these qualities help students in their overall development. The children at BHIS-K have inculcated within them the qualities of the 3 P's. Exams are just around the corner and here they are being patient, persistent with their efforts and practice their way towards success. We are sure that our Billabongers will go beyond horizons and emerge with flying colours!

## Karate champs

Exam stress? Absolutely Not! Our students know to balance academics and fun. Here are our Billabongers kicking their way to health and wellness! Their Karate teacher shows them how a punch and a kick can help them fight away problems, fear and stress!

## Patterns and shapes

Patterns and shapes are omnipresent. They are all around us; in words, in songs, in movement, in nature... everywhere. It occupies a fundamental part of math. The 2nd Graders learned to recognize various patterns and shapes. Their teacher Ms. Jaypriya, showed them how to make connections, predictions and how different things work together. This lesson helped the 2nd graders in laying down those first steps towards understanding and recognizing patterns in numbers and equations.

## A trip to the Pet Shop

It is believed that “Until one has loved an animal, a part of one’s soul remains unawaken”. The tiny tots of KKEL- Kelambakkam are learning about pets and their importance in life. To make the learning process even more exceptional, the Early Year Educators decided to take the children on a field trip to Umino Pet Shop at Injambakkam.

It was a breathtaking experience as the children had a splendid time with the exotic pet animals like Iguana, hamsters, various birds, fish and rabbits.

## Celebrating Peace

International Day of Peace was observed at BHIS-K on 21st September. The unity house students preached that nothing is more important than peace and that it is the starting point for the advancement of mankind. They urged the students to undertake a pledge to be the ambassadors of peace and spread love and happiness amongst all. The young minds concluded the programme by singing the renowned USA to Africa Anthem ‘We Are the world’.

## Perfecto Mexicano !

The Birthday of the students and teachers born in the month of September was celebrated with a Mexican twist. The dining hall was filled with the aroma of vibrant, delicious, fresh and colourful food. After the September Babies cut the delicious cake, the gathering of parents, students and teachers relished the palatable spread of Mexican cuisine. The food was so delicious, it felt like a pinata exploding in their mouth!
