i. **Non-Payment of fees:**

The school management expects all parents to pay fees on time so that the general operations of the school are conducted unhindered and all students get a good education that is well researched and delivered in a timely manner. Parents who pay on time will only help the process of education not only for their children but to all the children of the school. Parents who delay payments can cause financial losses to the school and can also affect its academic delivery to not only their children but all the children of the school. Hence, regretfully, students with unpaid fees for more than 1 month after the due fees will be cleared for the term. The school reserves the right to issue Transfer Certificates to students with unpaid dues in the school.

Re-admission for students with unpaid dues will be considered only after payment of full fees (current outstanding and the current academic term) in advance. A late fee fine can be charged by the school management depending upon the delay in paying the fees. Any non-payment of fees due to systems failure will be handled by the school management on a case to case basis.

- ii. Withdrawal & Refund of fees:
  - a. For withdrawal of a student from the school, one clear calendar months' notice in writing or a full year's fees (ie admission, activity, support, academic) in lieu of such notice must be given.
  - b. Fees refund of students seeking withdrawal will be decided on a case to case basis by the management depending on the circumstances under which refund and withdrawal is sought by the parent.
  - c. Any parent wanting to discontinue the transport or health (catering) programme must send written notice 10 days before the payment due date of the following term.
  - d. If a student has attended even a day of an academic session and wishes to withdraw, then the admission, activity, support, academic, transport and health fee for the term will not be refunded unless decided by the management.
  - e. If a withdrawal notice is not received by the school and a child has not attended the school, the fees due to the school will be applicable for the child.
