## Treasure Hunt with Daddy

Ms. Shahana (Nursery Educator)

Our Nursery kids are learning about My Family. They had a special treasure hunt with daddy as part of their learning experience. They had a good time looking for things around the house with their dads. They also enjoyed dancing with their dad to their favorite song.

# The Elements of Friendship

Ms. Anam and Ms. Sankari (Grade 2 Educators)

Friendships are mutually beneficial, meaning each of you gets something out of the relationship. Friends are there when you need them, whether to comfort, support, congratulate, or just listen.

This month's Grade 2 Value Education topic is "Friendship". We watched a beautiful video and discussed loads on this topic. Students shared their views on friendship and also wrote letters to each other. They also expressed their delight and eagerness for the reopening of school and meeting their friends.

Some students are new and will be coming to school for the first time and meeting their friends also for the first time. Narayanan promised Advait that he would be his friend and make him feel welcomed on his first day of physical school. Anusha promised Sanskar to be his friend and help him make new friends.

The students made a wonderful letter, a friendship tree, and baked a pie with the friendship recipe. Instead of sugar and flour, our children Isha, Karan, and Varsha, along with their amazing friends Malini, Malaravan, and Adhithya, added a handful of kindness, a sprinkling of cheerfulness, and a whole lot of love to create a formidable friendship recipe.

# A Remarkable Journey of Learning

## Grade 10 Farewell Party – Batch of 2021

BHIS-K celebrated the outgoing students of Grade 10 by hosting a farewell party on Friday, 11 March. Moderated by the current batch of Grade 9 and 10 students, the event started off with the prayer, a song of blessings from teachers, and a dance performance by the students. The outgoing students were surprised and touched by the speeches delivered about them by the teachers who had trained them for the finals during the last 2 years. It was an emotional and touching moment when the students, Saathvik (Grade 10 IGCSE), Theertha (Grade 10 CBSE) and Divya (Grade 10 CBSE) shared their thoughts about the school as well as their teachers and learning experience at the school. The students thoroughly enjoyed themselves by catching up on what they have been doing, dancing, and taking a myriad of photos.

The outgoing batch was given a grand farewell with many blessings and best wishes for their future. They will truly be missed.

Ms. Ramani Esther Samuel (English Educator, CAIE)

# A Fun-filled Revision Session

Lingeshwar , Grade 6

Heading towards the end of the academic year, our revision for Term 2 Exam was geared up to another level. Our revision was done with a paper activity. We were able to recall and remember the learned concepts through this activity. As most of the activities were done online, we had a chance to do the activity in physical class to understand better.

## परीक्षा की घड़ी ...हम है तैयार (Exam Time)

अंश जोशी, कक्षा- 6 (Ansh Joshi, Grade 6)

आ गई परीक्षा की घड़ी और हम है तैयार। पिछले सप्ताह हमने परीक्षा की तैयारी के लिए पुनराभ्यास किया।

सभी पाठों को दोहराया। एक पाठ 'पंच परमेश्वर' का पुनराभ्यास हमने विडियो की सहायता से की,जैसा कि आप चित्र में देख सकते हैं।

हमें परीक्षा के नाम से डरना नहीं चाहिए। पूरी मेहनत और लगन से तैयारी करनी चाहिए। अगर हम पूरी लगन से मेहनत करेंगे तभी हमें अच्छे अंक मिलेंगे। सफलता का एक ही मूलमंत्र है,कड़ी मेहनत।
