Exploring the World of Water

BILLABONG HIGH

INTERNATIONAL SCHOOL

KELAMBAKKAM

CBSE AFFILIATION NO. 1931190

Ms. Chitra S. Pillai (Class Teacher, 4B)

The students of Grade 4 performed an activity based on the Science topic, 'Water'. The activity emphasized on experiential learning where it encouraged the students to explore the different physical properties of water by themselves. The students were able to learn and understand the concepts through this hands-on activity which helped to uplift their curiosity and critical thinking.

Let's Make our Leaders

Student Council Election at BHISK

Our school campus came alive with Abraham Lincoln's oft quoted, "Democracy is the Government of the people, by the people for the people " as it stood witness to history being created when the Billabongers across Grades 5-11 cast their votes for electing the Student Council for the Academic year 2022-23.

The student Council Election was conducted in a very systematic way using laptops instead of the traditional ballot box. The boon of this century – technology was used very effectively to conduct the student election in the campus. The objective behind conducting the election in the school is to nurture dynamic and responsible future citizens of our country. The students got a chance to understand the importance of voting and choosing the right candidates who will drive the change we wish to see around us.

The students of Grades 5 to 11 cast their votes for various positions like Cultural Captain, Sports Captain, Eco Captain, House Captains, and Vice Captains to name some. The voting process turned out to be a new and enriching experience for the students. They connected their experience of voting to their civic knowledge, skills, and values.

"Remember, for your progress, for your welfare, your happiness, never fail to cast your vote in elections." ~ Dr. A.P.J. Abdul Kalam. The Chief Election Officer (CEO) Ms. Asma Nainar and the Election In charge Ms. Ruksana along with their team members (Ms. Kalpana, Ms. Manjula, Ms. Monica, Ms. Sandhya & Ms. Praveena) meticulously planned and executed the entire process flawlessly. The students who were not part of the live voting process were also accommodated by conducting the voting via online mode. The Election process ended by 2:30 p.m. The results will be declared on Monday, 11 July, in the school assembly, by our CEO Ms. Asma Nainar.

हमने सीखा 'स्वर'

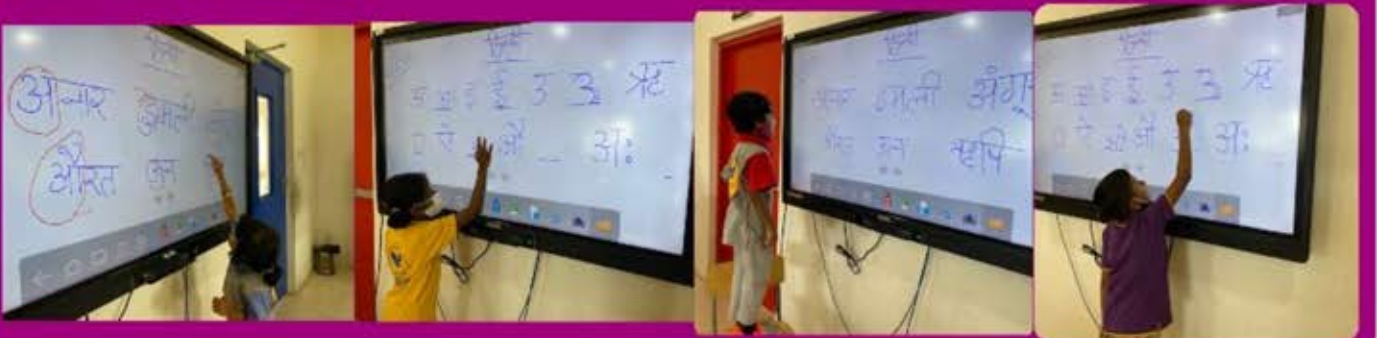

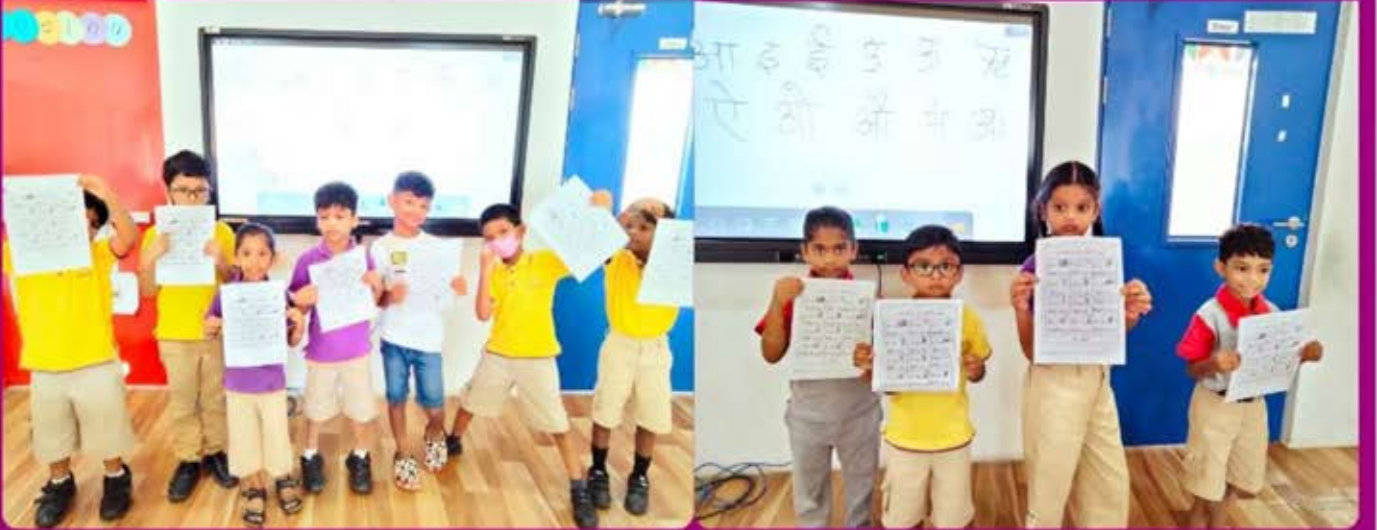

Ms. Seema Sharma (Hindi Educator)

किसी भी भाषा को सीखने का मूल्य आधार उसकी बुनियादी ज्ञान होती है जिस भाषा के माध्यम से हम अपने विचारों को दूसरे के सामने रखते हैं और जो बोलते हैं, वे ध्वनियाँ हैं। उसी तरह हिंदी भाषा को सीखने के लिए हिंदी वर्णों का विशेष महत्व है। जिसमें 11 स्वर और 33 व्यंजन हैं। जिन वर्णों को स्वतन्त्र रूप से बोला जा सके उसे "स्वर" कहते हैं।

कक्षा १ के छात्रों में हिंदी भाषा के प्रति रुचि जागृत करने के लिए अलग - अलग गतिविधियाँ कराई गई। जिसमें छात्रों ने बड़- चढ़ कर भाग लिया और सभी छात्रों ने हिंदी वर्णमाला के स्वर अक्षरों को इन गतिविधियों द्वारा उनका उच्चारण करना, अक्षरों को पहचान कर उनको सही क्रम में लिखना और चित्रों को देखकर शब्दों के पहले अक्षर को बताना सीखा। इन गतिविधियों को करते समय छात्र बहुत उत्साहित दिखे।
