INVESTITURE CEREMONY 2023-24

Ms. Aparna (Primary English Educator)

With an invincible spirit soaring high, the air was filled with pride and content as the staff and students laid down the red carpet to welcome their newly appointed student leaders of Billabong high International school Kelambakkam.

It is rightly said that leadership is the capacity to translate vision into reality. Conferring the leadership positions to the Student Council Members, the Investiture ceremony was conducted with great pomp and splendour on 3rd July 2023 in the school premises. Lt. Col. Mr. P. Suresh graced the occasion as the Chief Guest and Ms. Virginia Llyod Rose, parent of grade 11 student Leora Rose as the Parent Guest of Honour.

While the Chairperson Mr. Yasir Nainar honoured the Prefects, our Principal & Director, Ms. Asma Nainar led the Oath taking ceremony, inducting the new office bearers with their respective roles and responsibilities.

As the students received their sashes and badges, they exuded commitment, zeal, and unwavering confidence ready to take on the new positions and execute their duties with diligence. The event also witnessed the induction of the 'Trophy for Excellence' to motivate the achievers and inspire the others.

Addressing the gathering, the Chief Guest congratulated the school for having made an impact in a short period of time. He further went on to advice the students to have a great aim and work towards it with discipline, commitment, responsibility, hard work, planning and good time management.

Our director Yasir Nainar and Principal Asma Nainar congratulated and wished the young leaders to be a leader who everyone wants to follow - a leader who is empathetic, kind and has a vision.

The event concluded with the National Anthem.

NATIONAL DOCTORS' DAY CELEBRATION

Ms. Nithya S Mahendra, Ms. Malar, Ms. Saradha Gopi,
Ms. Srividya & Ms. Suhasini (Primary Science Educators)

“Medicines cure diseases, but only doctors can cure patients”. Carl Jung

On July 1st each year, the nation as a whole observes National Doctor's Day. Even though it's not enough to celebrate the true heroes for a particular day, their selfless devotion to the society has urged the world to dedicate a marked day to these saviours across the globe.

Today Grade 1 & 2 happen to have our Parent doctor, **Dr. LAVA KUMAR**, as our chief guest to grace the occasion and to educate the young minds on NUTRITION and SELF HYGIENE. The learners were made to understand how important it is to follow a healthy lifestyle and healthy eating. The children bombed the session with questions, and our chief guest attended to all their questions. It was a visual treat to watch them interact at ease. Thank you doctor for the extensive knowledgeable session.

Grades 3 & 4 were honoured to have **Dr. Rehab Nainar** as our Chief guest to grace the occasion and engage in discussion with the children about the human body and internal organs. The students were informed of how the internal organs function and what they contributed to maintaining good health. The students were curious and excited throughout the session which was displayed in their queries to the doctor. The students were more than happy and enthusiastically shared their learnings and knowledge to the doctor.

We extend our thanks to **Dr. Rehab Nainar** for encouraging young individuals and igniting their interest in sustaining healthy organs and a healthy lifestyle.

To all the doctor's out there, thank you for being the dedicated, thoughtful, and compassionate doctor that you are! You always go above and beyond and work tirelessly towards a healthy outcome.

**HAPPY
DOCTOR'S DAY**

World chocolate day- Kindergarten

Ms. Sivaranjani (Nursery Educator Educator)

Nursery

On this alluring note, World chocolate day celebration was conducted for little chocolatiers of Kindergarten. They were extremely engrossed while watching the video of how chocolates are made from cocoa beans, which when processed in the factory bring out varieties of chocolates. Nursery students participated in the colour sorting game and a chocolate poster these activities triggered the curiosity to experience more about chocolates. Students of Junior and Senior kindergartens expressed about their favourite chocolates with their friends and teacher amidst the joyful celebration, they experienced pleasure in learning some lip-smacking chocolate recipes from their teachers. They also eagerly participated in Make and eat activity like Banana chocolate dips (Junior Kindergarten)- where banana was dipped in chocolate sauce, was devoured in no time.

Our senior Kindergartener's made a delicious Sprinkling chocolate bars were they eagerly participated showering the sprinklers on top of chocolate. To show gratitude towards those who serve us, the little ones lovingly shared their chocolate with the school staff as a token of love of their warmth and the joy of celebrating Chocolate day with their classmates was seen on the gleaming faces as the tiny tots bid goodbye for the day with blissful memories!!

CRAFTING DELIGHTFUL TREATS

Ms Menaka (Middle School English Educator)

With its rich, velvety texture and delectable flavours, Chocolate provides a sensory experience like no other. Whether you prefer the smoothness of milk chocolate, the intense bitterness of dark chocolate, or the creamy sweetness of white chocolate, there's a chocolate to suit every palate.

To experience this, the senior children of BHIS-K, created a magical bond between generations, fostering connection, joy, and creativity. Through the process of selecting flavours, melting and tempering, moulding and decorating, and finally, sharing their creations, they experienced a profound sense of accomplishment and pride. This engaging and exciting activity not only provided a delightful sensory experience but also created opportunities for bonding, storytelling, and the exchange of knowledge and wisdom. The students had a chocolate adventure on Friday, celebrated as the 'World Chocolate Day', which created lasting memories and shared love for the sweetness of life.
