## A NEW BEGINNING

**Ms Suhashini & Ms Jaishree (Grade 1 Educators), share their thoughts on the significance of the first day**

The first day of school carries profound importance in one's educational journey. It's not merely a conclusion at graduation but rather the inception that lays the groundwork for future endeavors. As our students step into a new grade, they embark on a path teeming with both triumphs and challenges.

The amalgamation of excitement and apprehension is a natural response as they familiarize themselves with their new surroundings. However, witnessing the emergence of new friendships and the radiant smiles that illuminate their faces by day's end fills us with boundless joy.

These connections signify the genesis of a journey rich with meaningful experiences and promising relationships. As educators, we are honored to guide and nurture these budding scholars as they navigate the exciting terrain of Grade 1

## ALL ABOUT ME

Ms. Saradha & Abinaya (Grade 3 Educators), introduce a special activity to kick off the academic year

On the first day of school, the atmosphere buzzes with a mix of emotions—excitement, nervousness, and anticipation—as students and teachers alike embark on a new journey together. To ensure a smooth transition and foster a sense of belonging, we've curated an engaging activity called 'All About Me.' ## வண்ணம் தீட்டி கற்றல்

Ms Anjali Devi & Ms. Bharani Chithra (Grade 1 Tamil Educators)

மாணவர்களுக்கு உயிர் எழுத்துகள் அறிமுகப்படுத்தப்பட்டது. உயிர் எழுத்துகளின் எண்ணிக்கையும் அவற்றை உச்சரிக்கும் ஒலியையும் விளக்கிக் கற்பித்த பிறகு உயிர் எழுத்து "அ" வை வெள்ளைத் தாளில் வண்ணம் தீட்டி மகிழ்ந்தனர். மாணவர்கள் அவர்களுக்குப் பிடித்த வண்ணங்களில் வண்ணம் தீட்டினர். இதன்மூலம் அவர்களின் கற்பனைத் திறன் வெளிப்படுத்தப்படுகிறது.

## TEACHER'S ORIENTATION

Ms Devi S (KG Teacher In Charge), sheds light on the importance of teacher orientation

Teachers are the guides, but at times they too need guidance. A teacher orientation is a formal program that provides new teachers with information about the school's policies, procedures, and instructional practices. It's designed to help teachers feel welcome, familiarize themselves with the school, and get to know their new colleagues. At Billabong High International School, the teachers were guided and trained by the school's leaders, including Mr. Yasir Nainar, Chairperson, Ms. Asma Nainar, Deputy Chairperson, and Ms. Seema, Principal. These genuine leaders have a bigger vision for students and teachers alike. The successful orientation increased teachers' confidence and motivation in their new jobs.
